PRINCIPAL'S MESSAGE

In my two years at Central, perhaps what has impressed me most has been the excellent cooperation and rapport between students and teachers. This is due to a large part I am sure to the influence that Murray Ryan had on students and teachers alike. He was always supportive of teachers, but above all he put students first. Mr. Ryan's success in dealing with students, teachers, and parents lay, I feel in his ability to always look at the lighter side and find some humour in the situation. Hopefully, all of us can benefit if we use this approach.

To you who are leaving this year let me stress that you have only scratched the surface of knowledge. Therefore, if you are to share in the discoveries of the future you must continue to develop your talents, your skills and your knowledge. If you do not, the rapid advance of progress will speedily leave you behind. Each member of staff hopes that you have caught some gleam of what lies ahead and that you will follow the road which will lead you to a contented happy and useful life. Hopefully you will carry with you pleasant memories of your days at Central and that you will maintain the friendships you have established while here.

To the annual club for its untiring efforts and to the students and the teachers for their support, I should like to express my sincere thanks.

Best wishes and good luck.

John D. Todd
Acting Principal

DEDICATION

"For what is more likely to win friendship quickly and retain it long, than a pleasant and gay disposition? While if a man is devoid of wit and humor and elegant pleasantry, hardly anyone will find him agreeable or welcome"

John Milton

When I think of Mr. Ryan, it is his cheery good morning and wit that I remember most. I have known Mr. Ryan since 1953 when my parents delivered me to "the North" for my first teaching assignment. Many roads were still unpaved, there was lots of mud, and rentals were so scarce that I stayed in an unfinished house with a bed, trunk, and hotplate for furniture. Mr. Ryan met my father and I at the old Park School where the Government Buildings are presently located. His cheerful ease and warm welcome led my father to comment, "I feel much better about leaving my daughter in such good hands!" Under Mr. Ryan's guidance, I completed my first year of teaching and then joined him again on staff at the new Frank Ross School. It was there at the year end assembly that Mr. Ryan not only announced to the entire school that he approved of my fiancée but also invited everyone in the school to our wedding!

The staff and students share as many fond memories of Mr. Ryan as I do. We won't forget the Sow song, nor will we forget his famous tales of his teaching escapades. And I'm sure that all at Central now know where Bowser is located.

We are proud, then, to dedicate this annual in appreciation of the memorable years Mr. Ryan has spent with us and wish him better health and many years of happiness in his retirement.

REMEMBER WHEN -

1977 -1978

Remember when -a cyclone hit India killing twenty thousand people; Indhira Gandhi was arrested for corruption in the Prime Minister's office; Menchem Begin became P.M. of Israel and began working for peace in the Middle East; "Son of Sam", killer of six, arrested; and a vast electrical power failure crippled New York. These were the news stories we read during this year. Others of note included stories about the sinking of the Amoco Cadiz off the French coast with one million gallons of bunker crude going into the sea, W.H.O.'s announced eradication of smallpox in the world and Queen Elizabeth celebrated her Silver Jubilee.

Highlights of this time in Canada included an investigation into illegal actions by the R.C.M.P.; also a Soviet nuclear powered satellite crashed in Northern Canada; and French became the official language in Quebec.

Sports headlines announced Dallas as winners of Super Bowl Xll, Yankees as winners of World Series with Seattle Slew and Affirmed becoming Triple Crown winners in consecutive years. In Canada, two Montreal teams won the Grey Cup and Stanley Cup with the Commonwealth Games held in Edmonton.

For entertainment we watched "Annie Hall", Smokey and the Bandit", "Star Wars", and "One on one" at the movies. Popular shows on T.V. included "Charle's Angels", "Rockford Files", and "Family" with the mini-series made popular by "Roots". Peter Frampton, Fleetwood Mac, Eagles, Olivia Newton-John and the Bee Gees sang the music we liked. This was also the year that Bing Crosby, Charlie Chaplin and Elvis Presley died.

Happenings at Central saw Michelle Atkinson as Student Council president, with Kari Hunter as vice-president and Mary-lou Dell as Treasurer. This year's Sno-Ball King and Queen were Lyle Higgins and Marilyn Martin with Marc Casavant and Veronica Demchuk as Prince and Princess. At years end a special athletic award was presented to Sandi Vyse for her speed skating talents. The Principal's award went to Rita Syal and Bob Heinrich.

This was the year that a new group of Grade 8's came to Central thinking it was a long way to Grade 10.

1978 -1979

This was the year that the world was at peace but unfortunately, all was not at rest. The headlines we read brought both good news and bad. The Shah of Iran went into exile and the Ayatullah Khomeine came to power; there was a nuclear accident at Three Mile Island and a peace treaty signed between Israel and Egypt. Two million "Boat People" flee from insurrection in Vietnam and Cambodia; The People's Temple Cult staged a mass suicide in Jonestown, Guyana -while the rest of the world began to celebrate the Year of the Child. It was a year of firsts; the first test tube baby; Pope John Paul I was elected but died suddenly of a heart attack, to be replaced by the first Polish Pope, John Paul II.

Closer to home, Margaret Trudeau left Pierre Trudeau, Joe Clark became Prime Minister of Canada and there was a major oil spill off the east coast. At home, Dawson Creek began to celebrate George Dawson Centennial Year and the Bear Mountain Ski Chalet burned down.

On the lighter side, entertainment was varied. The movies presented moral issues as told by the "Deer Hunter" and "Coming Home", or they were funny; "Grease" and "Animal House". In sports the Yankees won the World Series, again; the Eskimos won the Grey Cup, again -after a year's absence and "Les Canadiens" won the Stanley Cup, again. Disco was supreme and Donna Summer was the Disco Queen, as Punk Rock proved a passing fad. On T.V. comedy was number one as Mork and Mindy topped all others along with Three's Company. Soap opera finally came to late evening viewing with the appearance of "Dallas" and Loni Anderson of WKRP became the new poster girl.

Around Central, Jody Arndt was Student Council President with Bruce Ravelli as vice-president and Pat Martin secretary-treasurer. Lorne Babkirk and Jody Arndt were Sno-Ball King and Queen with Kevin Walters and Pat Martin, Prince and Princess. At year's end we said Good-bye to Miss Judd, Miss Gillis, Mrs. Ceroni, Mr. Skelton, Mrs. Morgan, Mr. Marishak, Mrs. Hartnell and Mr. Haines. For their superior efforts, awards were presented to Murray Ford and Kelly Hunter as top athletes and Doug Hartford, Margaret Tesch and Deanna Napen won the Principal's Award for academics.

Newsflashes from the past - "Gold prices soared to \$900.00 an ounce; the American hostage incident in Iran passed into its 87 th. day; the U.S.S.R. invaded Afghanistan; and the O.P.E.C. cartell pushed oil prices over \$30.00 a barrel. Other headlines we read this year included that Indira Gandhi was returned as Prime Minister of India, Pope John Paul II visited the U.S.A. and Mexico, Teddy Kennedy decided to follow in his brothers footsteps and decided to pursue the presidency while a precarious Peace Treaty was signed in Rhodesia.

The early 80's saw Joe "Who" Clark and Pierre "I resign" Trudeau running for Prime Minister of Canada, again. In British Columbia, the Bennett dynasty was shakened by the "Lettergate Affair".

It was a big year in sports for Canada, as the Vancouver Whitecaps won the N.A.S.L., the Edmonton Eskimos repeated as Grey Cup Champs and Ken Read captured two downhill skiing titles in Europe. Elsewhere, the Pittsburgh Pirates beat the Baltimore Orioles for the World Series Title and the Steelers defeated the Rams to capture Super Bowl XIV. This was the year of the summer Olympics in Lake Placid, N.Y., and the winter Olympics in Moscow. The games in Moscow faced heavy pressure from the Western World Powers due to the political controversy over Afghanistan.

Closer to home, we watched the "White Shadow", the "Hulk", and "Buck Rogers" on T.V; listened to "New Wave Music" on the radio; and stood in line to see "10", "Main Event", and "Star Trek" at the movies. The winter season allowed the use of the new Ski Chalet for local skiing enthusiasts.

The annual Sno-Ball Dance was a great success with Owen Kennedy and Connie Holtom crowned as reigning King and Queen. Murray Ford and Yvette Astrope took on the role of Prince and Princess. This year's Student Council was lead by Kim Kuzma with able assistants in Connie Holtom as V.P. and Wendy Wards as Sec.-Treasurer. The school events proved to be quite varied. The winter session saw a Hat Day, a T-Shirt Day, a fun carnival and a Christmas concert at Unchagah Hall with both the band and choir putting on an excellent show. The spring session saw a winter carnival, Greaser Day, an outdoor track meet and a grad dance to cap off the year. During both of these sessions, the girl's and boy's in Volleyball and Basketball were organized with trips greatly improved by the purchase of a new busette.

A - Boys Volleyball

In September of this school year, trials for the "A" Boys team were held over three sessions and things looked very promising for our team. After the team was chosen, practices began in earnest, and with the addition of an extremely enjoyable preclass rope skipping session, fitness and skill levels climbed fast.

With Howie Lawrence as Assistant Coach, team spirit surged to a high level only to wane slightly because of an inexplicable unwillingness on the part of some to participate in all practices. This cost us two team members and the roster was filled out with two boys from the "B" team.

Our first game against Hudson Hope was a typical, start-of-the-season encounter. We played well in patches, losing two games to one, but we could see definite possibilities in the team.

Next came a game against Frank Ross in which we played better, but still couldn't hold our form, and lost 2 to 1. Our first scheduled tournament of the season was a Maple Drive and there, for the first, and perhaps only time, we played true to form, winning the first place trophy with a 10 and 2 record. Our team worked very hard to finish second to a strong Bert Bowes Squad, losing 2 games to 1 in the final.

A second crisis occurred shortly after, with the loss of a couple of players due to "insufficient playing time". This upset our balance for the remainder of the season, and our third and final trip of the year ended in a poor third place finish in Prince George.

The personnel problems mentioned above and our difficulties with transportation led to an early end to the season, something which has seldom, if ever, occurred with an "A" Boys Volleyball Team at Central.

Mr. Currie would like to thank the boys who DID persevere and Howie Lawrence for his help and enthusiasm at practices.

Of the 13 boys used on the team during the season, the following remained to the end.

1. Murray Ford, Team Captain & Double All-Star Award.
2. Mariano Serpa, Super-Digger
3. Allan Mah, Skipping Champion.
4. Micheal Mah, Mr. Self Control 1979
5. Brian Lariviere, "The Voice"
6. Dave Brundige, "The Hustler"
7. Bill Heinrich, "The Stork"
8. Oleh Dutka, "Our Helper"

Thanks again, Boys!

A - Girls Volleyball

Due to unforeseen circumstances, namely "transportation," the A-girls unfortunately had to cancel all league games for the season. But at the end of October with a little help from South Peace our A-girls along with the South Peace B-team made a trip to Prince George to participate in the Duchess Park Invitational Volleyball Tournament. The girls played very well and ended the tournament with seven wins and seven losses.

With a lot of practice following the Duchess Park Tournament, the girls participated in the local Frank Ross Invitational. Following the teams six wins and two losses the girls lost to Williams Lake Junior Secondary in the semi-finals.

Our next game of the season was the Maple Drive Tournament in Quesnel in which the girls put forth all their effort but lost to Maple Drive after a tight three games in the semi-finals.

To a fine group of girls - best of luck in the future!

A - Boys Basketball

This year's team played basketball in the true sense of the game. The boy's played with great spirit and energy even though their season was relatively short. It wasn't until January that the team obtained a coach with Grant Ashlee and Pat Kmet coming from outside the school to lend their services. Due to the late start, the team missed the opportunity to play in any major tournaments outside of Dawson. However, this did not stop the team from participating in the Peace River Zone. Central's team played some excellent games against teams from Chetwynd, Hudson Hope and Ft. St. John with our boys having particular success against Dr. Kearney.

In my opinion, congratulations must be extended to all the members of this years team for their excellent attitude. Realizing the coaching and travel problems enough boys were interested in playing basketball for the sake of first playing- to develop skills, to learn new plays, to have fun (running 3 man weave for 30 minutes, 5 practises a week, warmups that lasted longer than the game time).

WELL DONE GUYS!

Bouncefully yours,
Lynn Cindric

A - Girls Basketball

Another successful season - this phrase best sums up the A-Girl's Basketball year. Once again Central's girls completely dominated the Peace River Zone. Playing in ten games, the girls posted ten victories. The best of these victories came with a 32 - 31 victory over Bert Bowes where the girls allowed not a single point to be scored against them in the final two minutes; and in a game against our greatest rivals, Dr. Kearney, where when being behind for three quarters we took the lead to win at the buzzer 37-34, to keep our perfect record intact.

This year the team members gained added experience by playing in the South Peace Tournament. Our girls played very well considering the age and height differences, losing no game by more than fifty points and making the margin of victory for the opposing teams less in each game. A personal team victory here was scoring eighteen points against their last opponents. In Quesnel, at the Maple Drive Tournament, our team placed eighth overall with this team coming the closest to ever beating the host team falling short by only seven points. The best the team could have realistically placed was fifth as there were excellent teams from Kitimat, Prince George and Kispiox. It was a lesson for the team that was tempered with a weekend out of Dawson.

The team would like at this time to express special thanks to Bob Heinrich who gave up his free time to help coach the team. Bob's experience and knowledge of the game helped tremendously in developing new and better skills in this years team. Thanks a bucketfull Bob.

In all it was a fine year. To those girls going on to South Peace, I wish you Good Luck and hope that you will remember the good times at Central, especially some fond memories from basketball. To those remaining to play next year, start running -the season is only four months away.

Have a good summer!

Slam-dunkingly yours,
Lynn Cindric

Student Council is an elected group of students who have the responsibility of organizing and coordinating the social events that occur during the school year. Another important task is to aid groups within the school when they occasionally require a little financial help.

This year's Student Council changed its look by reducing its size and increasing its efforts at improving school spirit. The main focus for this effort was to try increase the amount of student participation in an increased variety of events and activities. This year's list of events included four dances, a fun carnival, an ice carnival and a sports day. Also spread out over the year were Hat Day, T-Shirt Day and Clash Day. To enable more people to take part the majority of these events took place during school hours. We would like to thank the administration for allowing us the time and the teachers and students for their help in making these events a success.

Projects undertaken by Council included a Calender of Events and a refurbishing of the boy's gym. Council's major accomplishment this year was the Pizza Party-Heart Fund Drive. A total of \$489 was raised by Central and this far exceeded the other schools in Dawson. It was a great effort and because of you we all stood prouder.

This year was good but we promise too try harder next year.

WE'RE IN . . .

Connie Halton (left) and Owen Kennedy (right) have been named the 1979 Snowball King and Queen. Princess Yvette Astrope is seen in the middle.

Snowball King and Queen

Long live Queen Connie!
Long live King Owen!

Connie Halton and Owen Kennedy were crowned the 1979 Snowball King and Queen at an impressive ceremony held December 6th following the Central Junior Secondary Christmas Dance.

To complete the 1979 Royal Christmas Court, Yvette Astrope was crowned Snowball Princess and Murray Ford Snowball Prince.

Central School's cheering section easily won the cheering contest at the Kodiak games on the weekend as Frank Ross's cheering squad failed to

show up for fear of being beaten. Central challenges Frank Ross to show up at the next Kodiak home game and they'll get beaten anyway.

Central School kids show big heart

Mrs. L. Dwyer's 9-5 class from Central Junior Secondary earned their pizza luncheon by donating \$81 to the B.C. Heart Fund.

While the Dawson Creek Curling Rink was hosting the Seagrams Provincial Mixed Playdowns, some of our curlers were off to Bonanza to take in the week long Men's open bonspiel. Winning the first place by taking the "A" event was Keith Morgan, Graig Miller, Bob Currie and Ian Welsh.

Visions of countless steaming hot pizzas inspired the students of Central Junior Secondary School to donate a record \$486.62 to the Heart Fund last week.

Central's Student Council offered a prize of a pizza luncheon for the home room which donated the most money to the charity during a four day competition February 19th to 22nd. The

contest was organized by Miss Lynn Cindric, the Student's Union Advisor, and Kim Kuzma, the Student Union President.

The winners were Mrs. L. Dwyer's 9-5 class who contributed \$81. Not far behind came Mr. G. Miller's 10-2 class who raised \$70 and Mr. W. Mould's 10-1 class with \$65.

Bon appetite, 9-5.

Central boys' Curlers get Games gold medal

Central Junior Secondary School boys curling team has been awarded the gold medals for the curling event at the Northern B.C. Winter Games, played at Smithers in February, 1979, reversing an earlier decision.

The Central boys' curling team consisted of Gordie Kut (skip), Craig Hill (third),

Dean Sajtovich (second), and Paul Thorpe (lead).

In Hythe, the terry Peterson team from the local club won third in "A" event in the Ladies Bonspiel. Curling with her were Renae Miller, Barb Neville and Mrs. Peterson.
